

The HT Parks & Recreation Department is taking a cruise on the ...

## “MISS LOTTA” Lake Hopatcong, NJ

**Friday July 7**  
**9:30 am - 4:30 pm**

We have explored the Toms River on the River Lady, the Manasquan River on the River Belle, and this summer we are cruising on Lake Hopatcong, New Jersey’s largest freshwater lake. We will enjoy a luncheon cruise on the 57-foot SkipperLiner, “Miss Lotta”, a vessel that features a full dining room, upper deck, full bar and uses a gyro stabilization system to ensure smooth sailing!

During our signature luncheon cruise, we will enjoy stunning views while savoring a buffet of delicious cuisine. There will be soup & salad options, various entrée choices, dessert, and soft drinks included. We will board our vessel at Nolan’s Point along Lake Hopatcong for a great summer afternoon of cruising on a beautiful July day!

Cost of the trip is \$72 (\$63 for Hopewell Twp. residents) and includes motor coach transportation, cruise, and buffet lunch. We depart promptly at 9:30am from Independence Park (adjacent to Stony Brook Elementary School).
