

Hopewell Township Parks & Recreation travels to.....

Longwood Gardens

Weds., December 12
11:30am - 7:30pm

This holiday season, Longwood Gardens pays homage to the *Christmas Tree* with an imaginative display featuring traditional favorites and inspiring new twists. From festive firs suspended from above to towering tannenbaums created from books, stained glass, and other unexpected materials, you can't help but exclaim, "O Christmas Tree!"

Outdoors, gloriously illuminated trees lead you on an enchanting holiday journey through the Gardens as colorful fountains dance to holiday music and a half-million lights brighten the night.

We will arrive in early-afternoon to stroll the grounds on our own during daylight hours. Our visit includes a wonderful *Yuletide Buffet dinner* in the Terra Cotta Room at 3:30pm where we will enjoy mushroom soup, salad, roasted turkey, pork loin, and much more. After our early dinner, we will have additional time to see some of the magic that the evening light displays offer including lit trees that soar 75 feet into the night sky.

Bus departs from Independence Park on Stephenson Road (adjacent to the Stony Brook Elem. School). The cost is \$ 99 per person (\$90 for Hopewell Twp. Residents) which includes admission, transportation, and the Yuletide Buffet Dinner!

Register now by calling the Recreation Dept. at 609-737-3753
