

**THE HOPEWELL MUSEUM
AND
HOPEWELL VALLEY HISTORICAL SOCIETY**

**INVITE YOU TO HELP US PLAN
The Future of History
IN HOPEWELL VALLEY**

Please join us at one of three upcoming community forums to:

- **explore possibilities for dynamic programs and exhibitions**
- **consider what objects you think should be collected**
- **envision educational outreach opportunities to audiences of all ages**
- **share stories of our Hopewell Valley heritage**
- **foster new relationships in the community**

Forums are open to the general public and will be professionally facilitated. We welcome representatives of other groups and organizations! Each forum will be about 90 minutes. Light refreshments will be served.

Bring your ideas and share them with us!

Pre-registration is not required. However, it will help us to prepare for attendance if you can let us know which forum you plan to participate in through the website below. Please choose just one!
