Public Information Meeting

Scotch Road Residential Development

Hopewell Township will be conducting a public information meeting on Thursday, January 10, 2019, from 6PM to 9PM, at the Hopewell Township Municipal Building, 201 Washington Crossing Pennington Road, Titusville, New Jersey. This meeting will be conducted in an informal, open house format. The public is invited to view conceptual plans offered by the interveners in the township's ongoing Affordable Housing Settlement Compliance proceedings. The plans to be presented will show a concept for development of a portion of Block 93, Lot 6.02, located on the west side of Scotch Road opposite the office complex located at American Boulevard. The plans have been prepared to demonstrate compliance with the Redevelopment Plan adopted for the property that will contribute towards meeting the township's affordable housing obligation under its court-ordered Settlement Agreement. The public is invited to offer comment which will assist the township in providing community feedback to the interveners well in advance of formal site plan development for the property.
