

# **Hopewell Recreation needs YOUR Support To Help Homeless Children Have The Summer Of A Lifetime!**

Hopewell Township Recreation Department is teaming up with the New Jersey Recreation and Park Association and Homefront for this Community Service Project. HomeFront works to break the cycle of poverty and end family homelessness in New Jersey. HomeFront's summer day camp keeps our area's most vulnerable kids safe and engaged while giving them a summer of social, intellectual, and personal enrichment – including swimming.

**Please help us by donating new bathing suits to help summer campers participate in swim lessons. The drive will take place until **September 3, 2019.****

**Donations can be dropped off at the Recreation Office in the Municipal Building.**
