

**HOPEWELL TOWNSHIP FIRE DISTRICT NO. 1 and
HOPEWELL VALLEY UNIFORMED FIRE FIGHTERS
ASSOCIATION
IAFF LOCAL 3897**

Hopewell Township Fire District No. 1, in conjunction with the Hopewell Valley Uniformed Fire Fighters Association I.A.F.F. Local 3897, will be holding our second annual

**Fire Safety Open House
October 15, 2016
10:00 am to 2:00 pm
Hopewell Township Municipal Complex
201 Washington Crossing-Pennington Rd**

In addition to the Fire Safety Open House, we are excited to host a blood drive with the Community Blood Council.

This year's theme, brought to us by the National Fire Protection Association, encourages smoke detector education:

“Don't Wait, Check the Date!”

The success of the event can only be increased with your involvement! We want to incorporate more community organizations, businesses, and various local groups to bring our community together with this educational event! If your organization can provide fun and creative activities or unique hands-on experiences, please consider being a part of this special day. Last year's event reached more than 300 local parents and elementary school children!

Activity applications for this year's Open House can be found at the following websites:
