Re: Jacob's Creek Bridge  
Follow Up

Dear Mr. Hughes and Mr. Sandusky:

As a follow up to my letter of September 27<sup>th</sup>, I failed to include other considerations offered by the Hopewell Township Historic Preservation Commission at our September 15<sup>th</sup> meeting, namely:

- It is desirous of the commission that the County cooperate with The Crossroads of the Revolution regarding the ultimate design and preservation of the Revolutionary War site on Bear Tavern Road at Jacobs Creek
- That the archaeological work required for the replacement of the bridge be expedited based upon a plan to uncover artifacts relating to the March to Trenton.

Again, thank you for your considerations.

Sincerely,

M. James Hayden III, Chair
