Narrative and Information Section

2015 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Hopewell Twp Fire District No. 1

(Fire District Name and Number)

FISCAL YEAR: January 1, 2015 to December 31, 2015

Answer all questions below. Attach additional pages and schedules as needed.

1. Complete a brief statement on the 2015 proposed Annual Budget and make comparison to the 2014 adopted budget. Explain any variances over +/-10% for each line item. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

The total 2015 budget appropriations will decrease by \$40,394.00 in comparison to the 2014 adopted budget. Part of this decrease is a result of deleting any contribution to Future Capital Outlays in the Restricted Fund Balance. The budget worksheet indicates that Health Care Benefits are 37.7 % more than 2014. This is a result of two (2) additional staff members enrolled in the health care benefits at a cost of \$31,380.00 each or \$62,760.00. backing out this amount makes the health care increase of \$8,360.00 or an increase of 4.4% vs. 2014.

2. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation to support the district budget and on the Restricted and Unrestricted Fund Balance(s). Explain increases or decreases in the tax rate and utilization of fund balances. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The amount to be raised by taxation in the proposed 2015 budget will increase by \$78,680.00 as a result of employing an additional Emergency Services Specialist and a realignment of the Emergency Services staff positions. In comparison to the 2014 adopted budget, the tax rate per \$100.00 of assessed valuation to increase to \$0.077. The Fire District will utilize \$181,608.00 of Unrestricted Fund Balance in the 2015 budget to enable the fire district to stay within the Cap Law.

The Unrestricted Fund Balance is predicted to remain sufficiently funded to enable the fire district to utilize these funds to balance future budgets. However, the fire district is exploring ways to increase the revenues to some funding from motor vehicle accident reimbursement for services from insurance companies.

Commissioners will continue to strictly oversee the budget to ensure compliance and funding for the 2015 & 2016 budgets. The fire protection of the citizens and property owners will be the mandate of the fire commissioners. The commissioners are well aware of future responsibilities of the public and will take measures to ensure public safety and compliance with state mandates.

3. Include a statement explaining how the Fire District is complying with the Property Tax Levy Cap. The statement must explain reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum.

The Fire District has utilized its undesignated fund balance to balance the budget and stay within the 2% Property Tax Levy Cap to be in compliance. The Fire District is not requesting any cap waiver in 2015.

4. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance, explain the reason and purposes of the appropriation.

Not applicable

5. Complete a brief statement on the Annual Budget's proposed capital appropriations and payment methods, including debt service for the proposed budget year and for future years.

Regarding planned Capital Appropriations in the 2015 budget:

1) A Capital Appropriation in the amount of \$4,900.00 to Hopewell Borough Fire District as the fifth of five payments of the Special Services Vehicle that is used valley wide.

2) The Fire District will continue to pay down the capital lease/debt service of the Hopewell Borough and Pennington Fire Districts for fire truck payments, self contained breathing apparatus, and an ambulance for Union Fire & Rescue. Further listing of equipment is listed on the F-6 Financial Page.

6. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year pursuant to N.J.S.A. 40A:14-78.6, then explain the reasons for the occurrence of the deficit.

Not applicable

7. Does the Annual Budget appropriate such sums as it may deem necessary for the purchase of first aid, ambulance, rescue, or other emergency vehicles, equipment, supplies and materials for use by a duly incorporated association, pursuant to N.J.S.A. 40A:14-85.1? If so, provide the organization's incorporated name and amounts.

Yes, Pennington First Aid Squad, Pennington, New Jersey \$55,000.00

8. Complete the following based on the municipal assessor's latest information pursuant to N.J.S.A. 54:4-35:

Total Assessed Valuation of District	\$3,997,624,368.00
Proposed Tax Rate per \$100 of Assessed Valuation	\$0.077

No	XXX	Yes		If yes, how much is appropriated?	\$
----	-----	-----	--	-----------------------------------	----
