Re: Docket CP15-558-000 Request of PennEast Pipeline Company

Dear Secretary Bose,

I am writing on behalf of the Carbon Chamber and Economic Development Corporation (CCEDC) regarding the PennEast Pipeline project.

As a result of CCEDC's partnership with the Greater Lehigh Valley Chamber of Commerce (The Chamber) we affirm our approval of the Chamber's Policy Statement regarding the PennEast Pipeline project which was submitted to you with their letter dated August 26, 2015.

The policy statement notes that the PennEast Pipeline would provide long-term development opportunities, increase short- and long-term employment, have a strong economic impact, and contribute to keeping energy costs reasonable all while being mindful of any environmental concerns.

If you have any questions, or require further information, please do not hesitate to contact me.

Thank you for your consideration.

Sincerely,

Kathy Henderson
Director Economic Development
Carbon Chamber and Economic Development Corp.
