To whom it may concern:

Enclosed, please find correspondence from my constituents Marlene Grassi regarding her concerns for the construction of the PennEast Pipeline. Ms. Grassi's home is located at 751 N Main St Plains, PA 18702-2708. I would appreciate your careful review of this situation and any information which may be helpful to my constituent. I ask that you give this matter your full and fair consideration.

Please direct your response to my district office at this address:

Honorable Matthew A. Cartwright  
226 Wyoming Ave.  
Scranton, PA 18503  
Attn: Jennifer Manganello

Thank you for your assistance.

Sincerely,

2016-00131

How can I prevent the PennEast pipeline on my property? I already have the Williams pipeline right above my property. Do I need to live in fear? It would be very close to my home probably affecting the structure of my home and garage not taking into account the mines located under my home. All our landscaping is affected and would be removed leaving us with nothing. Please help us.
