**RE: PennEast Pipeline Company, LLC (“PennEast”) – PennEast  
Pipeline Project: FERC Docket No. CP15-558-000  
Letter Seeking Clarification of DEIS Comment Deadline**

Dear Ms. Bose,

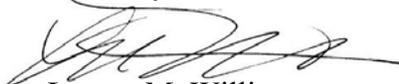

On behalf of the Cooks Creek Watershed Association (“CCWA”), we respectfully request clarification from the Commission that the deadline for comments on the draft Environmental Impact Statement (“DEIS”) for the proposed PennEast project is indeed September 12, 2016.

When the Commission issued the PennEast DEIS, DEIS Volume I set a comment deadline of September 5, 2016. That day is Labor Day. When the Commission later issued a Notice of Availability for the DEIS, it stated the deadline as September 12, 2016. In looking at other recent projects, i.e. Atlantic Sunrise, we noticed that these deadlines are usually the same.

CCWA has been proceeding under the assumption that the deadline is September 12. Thus, we respectfully request confirmation from the Commission that the DEIS comment deadline is indeed September 12, 2016, as stated in the later-issued Notice of Availability.

Thank you for your time and we look forward to clarification on this point.

Sincerely,

Lauren M. Williams
