Basis for Intervening:

I wish to declare intervenor status on behalf of the Covered Bridge Trail Association on docket number CP15-558 PennEast Pipeline because as a group of resident members using taxpayer preserved lands in Hunterdon County, state of New Jersey, and as taxpayers, we have stakeholder interest in these preserved lands and maintaining these unique environmental resources. Such environmental disturbances creates vast quality of life issues in a disappearing rural community. Recreational activities such as those provided by Covered Bridge Trail Association will be jeopardized by the construction of the PennEast pipeline.
