Re: Complaint filed under Docket No. CP15-558

Dear Secretary Bose:

We are writing regarding the documents New Jersey Conservation Foundation and Stony Brook-Millstone Watershed Association filed on June 15, 2016. These documents, styled as a "Complaint" and "Motion" were filed under Docket No. CP15-558 and request a hearing on the public need for PennEast's proposed pipeline.

On September 28, 2015, the Delaware Riverkeeper Network and Maya van Rossum, the Delaware Riverkeeper ("DRN"), filed motions to intervene on the abovementioned docket under 18 C.F.R. § 385.212 and 385.214. Should the hearing requested by the New Jersey Conservation Foundation and Stony Brook-Millstone Watershed Association occur, DRN respectfully requests the opportunity to participate as a party to this hearing as DRN has timely filed motions to intervene under the appropriate docket.

If you have any questions please do not hesitate to contact us at the below phone number or email addresses.

Thank you for your attention to this matter,
