RE: OEP/DG2E/Gas 2
PennEast Pipeline Company, LLC
PennEast Pipeline Project
Docket No. CP15-558-000

Dear Secretary Bose:

This office represents the interests of Intervener County of Mercer in the captioned matter.

The County of Mercer is in receipt of your February 10, 2016 letter to PennEast Pipeline Company concerning FERC's Environmental Information Request. Contained in the request is information concerning *Resource Report 8- Land Use, Recreation and Aesthetics*. Within that subcategory, paragraph 20 inaccurately indicates that the New Jersey National Lands Trust is managing the Ted F. Stiles Preserve (at Baldpate Mountain). Please be advised that Baldpate Mountain is jointly owned by the County of Mercer, the State of New Jersey and Hopewell Township, and is managed by the County of Mercer, not the New Jersey Natural Lands Trust.

Please make the appropriate corrections as FERC deems best with regard to this matter.

Please call me with any questions, or if you need any additional information. Thank you.

Yours truly,

Arthur R. Sypek, Jr.
Mercer County Counsel
