Basis for Intervening:

NRG REMA LLC ("NRG REMA") has entered into a Precedent Agreement with PennEast Pipeline Company, LLC ("PennEast") pursuant to which NRG REMA has the ability to obtain firm transportation service from the proposed PennEast Pipeline if the pipeline is constructed. As a result, NRG REMA LLC has a direct and substantial interest in the outcome of this proceeding that cannot be adequately represented by any other party and its intervention would be in the public interest.
