Re: PennEast Pipeline Company, LLC, Docket No. CP15-558-000
Updated Landowner List

Dear Ms. Bose:

On December 14, 2015 and February 22, 2016, PennEast Pipeline Company, LLC (PennEast) filed proposed route deviations (December 14 and February 22 Deviations Filings) with the Federal Energy Regulatory Commission (Commission) for the planned PennEast Pipeline Project (Project) in the above-referenced docket. PennEast hereby provides the updated landowner lists including all landowners and abutters for the Project to date as well as deviation landowner lists that specifically identify the landowners and abutters affected by the deviations PennEast proposed in the December 14 and February 22 Deviations Filings. In addition, the deviation landowner lists identify those landowners and abutters who were not previously landowners or who are no longer considered landowners or abutters as a result of the December 14 and February 22 Deviations Filings.

PennEast requests that the Project landowner list be treated as privileged and confidential and for use by Commission Staff only and not be released to the public. The landowner list is marked **“Contains Privileged Information – Do Not Release.”**¹ Questions pertaining to confidential information may be submitted to:
