Dear Ms. Bose:

On December 14, 2015, PennEast Pipeline Company, LLC (“PennEast”) filed with the Federal Energy Regulatory Commission (“Commission”) supplemental information regarding deviations from the route proposed in PennEast’s Application for Certificates of Public Convenience and Necessity and Related Authorizations for the PennEast Pipeline Project (“December 14 Filing”). Among other materials, the December 14 Filing included Landowner Analysis Maps as Attachment B, identifying changes to the landowner parcels affected by each deviation, and a landowner list as Attachment C, identifying each landowner affected by the adopted deviations. PennEast has determined that certain information reflected in Attachments B and C in the December 14 Filing has been updated and hereby provides the Commission with the updated Attachments B and C for the route deviations described in the December 14 Filing.

PennEast requests that the landowner list provided herein be treated as privileged and confidential and for use by Commission Staff only and not be released to the public. The landowner list is marked **“Contains Privileged Information – Do Not Release.”**<sup>1</sup> Questions pertaining to confidential information may be submitted to:
