

**Hopewell Township Police Department
Request for
Home Alone Security Check**

This form is intended to be used when parents/guardians will be out of town, but must leave teens or young people at home.

Completion and submission of this form will cause the Hopewell Township Police Department to attempt to give the described residence added attention checking for youth parties or other undesired activities.

Completion of this form does not guarantee police checks of a home since manpower levels and calls for service may prevent the police from checking the house.

It is further understood that police checking on the home and finding unusual circumstances of a non emergent nature will contact the person listed below allowing that person to take action. However, if violations of the law or conditions requiring immediate action are observed the police will take immediate action without prior notice to the person listed below.

I understand and acknowledge the above conditions regarding this form and security checks at my home.
