Honorable Michael Markulec, Mayor
Township of Hopewell
Hopewell Township Municipal Complex
201 Washington Crossing-Pennington Road
Titusville, NJ 08560

Re: Pennington-Hopewell Road (County Route 654)

Dear Mayor Markulec:

Please be advised that on or about March 26, 2012 milling and resurfacing work on Pennington-Hopewell Road (County Route 654) from Route 31 to Woodsville Road will commence. Mercer County anticipates that this work will take approximately ten (10) working days, weather permitting. During construction, this section of Pennington-Hopewell Road will be closed to through traffic from approximately 9:00 a.m. to 3:30 p.m., weekdays only. Southbound traffic will follow Route 31 North to eastbound Woodsville Road to Pennington-Hopewell Road. Northbound traffic will follow same route conversely. Motorists should expect delays in construction area. Emergency access and access for businesses and residents would be permitted during this time

Mercer County staff will post signs prior to the start date advising motorists of upcoming roadwork and detours and will coordinate with the local police and emergency response units. Would you or a member of your staff please coordinate and notify other pertinent groups, agencies or organizations that may be temporarily inconvenienced due to construction.

Honorable Michael Markulec
