Titusville, NJ 08560

Re: Elm Ridge Road (CR 625) over Honey Branch Brook (No. 232.1)

Dear Mayor Sandom:

Due to the need to make emergency repairs to the Elm Ridge Road Bridge over Honey Branch Brook, please be advised that Elm Ridge Road between Alta Vista Drive and Blue Spruce Drive will be closed to all traffic. The closure will be in effect on a 24/7 basis commencing Monday, May 13, 2013. We anticipate these repairs to be completed by July 1, 2013, weather permitting. A detour will be posted directing motorists to use Pennington-Rocky Hill Road and Carter Road.

Would you or a member of your staff please notify emergency response, school transportation officials and other services that may be impacted as a result of the closure. Mercer County personnel will also post signs on Elm Ridge Road advising motorists of the pending closure. Thank you for your cooperation.

Sincerely,

Aaron T. Watson
Director, Department of
Transportation & Infrastructure
