Dear Mr. Pogorzelski:

Thank you for your letter and Resolution of Support regarding the Route 31 Pennington Circle Improvement project. I appreciate the opportunity to respond to your concerns.

The New Jersey Department of Transportation (NJDOT) is currently completing final design for the Pennington Circle Improvement Project. The current schedule has a tentative advertisement date in late fall of 2013. Construction would commence in spring 2014. This schedule is contingent on available funding for final design and construction.

I hope this information is helpful. If you have any additional questions, please feel free to contact Kimberly Nance, Office of Community and Constituent Relations, at (609) 530-2110.

Sincerely,

Anthony J. Attanasio
Assistant Commissioner
Government and Community Relations
