

The Aging Eye

*Wednesday, November 16th @ 10:00am
Hopewell Valley Senior Center
395 Reading Street, Pennington*

Join us as Joan Micucci, COMT of Matossian Eye Associates presents a comprehensive overview of the many conditions that can affect a person throughout the natural aging process, specifically those which affect vision (cataracts, glaucoma, and age-related macular degeneration). Joan will discuss prevention and treatment of these conditions with a brief overview of each.
