Re: **PennEast Pipeline Project, FERC Docket No. PF 15-1-000**  
**Proposal for Joint Public Meeting/Hearing**

Dear Ms. Bose:

On April 23, 2015, the Delaware River Basin Commission (DRBC) sent a letter to the Federal Energy Regulatory Commission (FERC) that included a request for FERC to consider a joint public meeting and DRBC public hearing on the captioned project.

I am writing today to withdraw that request. The DRBC will conduct its public process independently of FERC's.

Thank you for your courteous assistance. If you have any questions regarding DRBC's review procedure, please contact me at 609-477-7203.

Sincerely,

Pamela M. Bush  
Commission Secretary and Assistant General Counsel
