The original copy of the application, together with a copy of all other documents filed with the application, shall be filed in the permanent case file of the Board.

2:1-2. Completeness Review.

(a) An application for development shall not be accepted for filing unless accompanied by all required application and escrow fees.

(b) When an application has been filed, the Secretary and/or Assistant Secretary shall review the application for administrative completeness items, such-as corporate disclosure

This time requirement for filing of revised plans and other application documents applies to every hearing on an application, unless waived by the Board. Where a number of adjourned hearings are held, revised maps and supplemental documents shall be filed ten (10) days prior to such adjourned hearing, unless waived by the Board. This filing requirement is necessary in order to afford the Board and its professional an opportunity to review the revisions prior to the adjourned hearing.

(b) In the event that Board Members are conducting a site inspection, and the applicant insists on being present, the Board Member shall first request the opportunity to inspect the property without the applicant being present. The Board member shall also advise the applicant and its agent that communications during the site inspection are not permitted.

2:2-7. Evidence; Exhibits.

The formal rules of evidence adopted by the Courts of the State of New Jersey shall not be enforced in the proceedings before the Planning Board. However, no decision shall be based upon any facts not proved or on matters which are not on the record unless they be such items of which the Board is entitled to take judicial notice. When any documents or exhibits are admitted into evidence during or for purposes of a hearing, they shall be marked and shall be retained by the Board as part of the permanent file. However, if a duplicate unmounted copy of the exhibit is delivered to the Board Secretary, the mounted exhibits may be removed by the Applicant. After the Board has rendered its decision and the time for filing an appeal has expired, the board Secretary may return any such exhibits or documents to the person who offered them upon request. Any evidence presented, whether by testimony or by documents and exhibits presented for the hearing(s), which are not questioned or controverted by any other party or by any member of the Board, may be deemed to be true by the Board for purposes of its decision. The Board may limit irrelevant, immaterial or redundant testimony.

2:2-8. Reports from Consultants, Officers, Boards or Agencies.

(a) The Board may refer an application to consultants or agencies for a report provided that such reference shall not extend the time within which the Board must act. Such reports from consultants or agencies shall be made available to the applicant and to other

interested parties for examination and refutation.

(b) The applicant and interested parties shall have the right to subpoena the officer making the report for purposes of cross-examination as to its contents and basis for the conclusions. The Board shall either obtain such reports prior to the hearing, giving all interested parties the right to examine the same, or the hearing may be adjourned to a specific time and place for the purpose of receiving the reports and recommendations of public officials or agencies involved.

(c) If the applicant submits revised plans, the Board shall not take action on the application until the Board's consultants have reviewed the revised plans and issued written reports regarding same.

2:2-9. Continuances.

All cases may be continued to another date certain, as scheduled by the Board. The Chair shall announce to all those present the date, time and place to which the hearing on the matter is continued. Although no further notice must be given pursuant to the Municipal Land Use Law (hereinafter referred to as "MLUL"), it is the Board's policy to request that the Applicant provide notice by regular mail to all persons within 200 feet of the development. Moreover, if the matter is continued to a special meeting not on the regular Board calendar, notice required under the Open Public Meetings Act shall be given. The Board reserves the right to continue a hearing on its own motion for purposes of further consideration, subject to limitations of time as provided in the MLUL. The Board may also grant reasonable requests of interested parties to continue a matter in order to afford such parties sufficient time to prepare, engage counsel, obtain witnesses or for other good cause. However, the Board shall do so only to the extent that the applicant's interests are not unduly compromised or prejudiced pursuant to prevailing law. Where

adjournment for a continuance would extend the statutory period within which the Board is required to act, the consent of the applicant shall be evidenced in writing or shall be set forth on the record.

2:2-10. Refusal to Consent to Continuance.

Where an applicant has taken a substantial period of time to present his or her case and then refuses to consent to a continuance so that objectors can be heard or if the Board has insufficient opportunity to consider the matter, such refusal by the applicant may be deemed arbitrary and unreasonable by the Board. Should the applicant move the Board to decide the matter without affording such opportunity, the applicant shall be at risk of a denial of the application for failure to sustain the burden of proof and failure to afford the Board an opportunity to reach an informed decision. In such an event, the Board may at its discretion deny the application without prejudice thereby affording the applicant the opportunity to reinstate the application.

2:2-11. Effect of Covenants, Judgments and Other Regulations Affecting Land Use.

The Planning Board is established for the sole purpose of exercising the powers conferred upon by the Municipal Land Use Law. The Board is authorized by the Land Use and Development Ordinance (hereinafter referred to as "LUDO") only to hear matters within the purview of that ordinance. A restrictive covenant shall be construed as being in the nature of a private contract which may be enforceable either by a grantor or other protected party. Such a covenant shall not affect the jurisdiction of the Board, and the grant of relief by this Board shall not affect the validity of any restrictive covenant. The existence of a covenant shall generally

have no bearing on the Board's determination, unless a restrictive covenant was imposed as a condition of prior relief to the benefit of the public.

2:2-12. Letters and Petitions in Objection.

Letters of objection and petitions shall not be admissible. However, if the writer of the letter or the signers of a petition testify and are subject to cross-examination, the document may be admitted into evidence.

2:2-13. Burden of Proof.

The burden of proof is on the applicant, and it is the applicant's responsibility to supply competent and credible evidence in support of the nature and degree of the relief sought. The applicant must establish, to the Board's satisfaction, that pursuant to statutory and ordinance criteria, the applicant is entitled to the relief sought.

Rule 2:3. Voting.

2:3-1. Voting Procedure.

All motions shall require a second. The Chair shall allow discussion on any motion made and duly seconded. All votes shall be taken by roll call, and the vote and name of the member casting the vote shall be recorded in the minutes. Unless otherwise provided by these rules or under prevailing law, a majority vote of the qualified members present at such meeting is sufficient to take action.

2:3-2. Voting Margin and Effect.

If a motion to approve an application for development fails to receive the number of required votes, such failure shall be deemed an action denying the application.

2:3-3. Abstentions.

Abstentions are disfavored except for good cause. An abstention shall be regarded as an assent to the vote of the majority. Thus, if the majority of those voting would affirm a measure, abstentions would be counted toward affirmance; if the majority would defeat a measure, abstentions will be counted towards defeat. A disqualified member shall not be counted as an abstention and shall, instead, remove himself or herself from the panel and not be involved in the consideration of the application. If the Board is evenly split in its decision, no majority exists with whom an abstaining member can be said to vote and accordingly abstentions shall not be assigned to either block. A tie vote shall defeat an application, and abstentions shall not be construed to approve an application or to create a tie.

2:3-4. Voting Eligibility; Review of Record.

When any hearing before the Board has been continued, a member of the Board who was absent for one or more hearing sessions shall be eligible to vote on the matter upon which the hearing is conducted notwithstanding the member's prior absence provided that such member certifies in writing to the Board that he or she has read a transcript or listened to a recording of the entire session for which he or she was absent. This rule shall not be construed as authorizing any hearing to be held whenever less than a voting quorum of the Board is present.

Rule 2:4. Other Hearing Requirements and Procedures.

2: 4-1. Record of the Proceedings.

The record shall mean the application form, any exhibits or other documents submitted to the Board in support thereof, maps, proper submissions by interested parties, and the verbatim record of the hearings. The notes of the planning Board secretary shall also be part of the record,

and the minutes of the meeting shall be considered both a summary of the record and part thereof.

2: 4-2. Transcripts.

The Board shall furnish a transcript of the hearing or duplicate recording in lieu thereof to any interested party at his or her expense. The option to furnish a duplicate recording or a transcript lies entirely with the Board.

2:4-3. Inability to Make Verbatim Records.

If, at the time set for hearing, a verbatim record cannot be made for good reason, as where recording equipment is inoperable, the Board shall continue the hearing to another date. If the time within which the Board must act will expire before another hearing can be scheduled, and the Applicant refuses to extend the time to act, the Board shall be entitled to deny the relief sought in order to prevent a statutory approval by reason of the Board's failure to make a decision.

2:4-4. Subpoenas; Contempt.

The Chair and the Board Attorney shall have power to administer oaths and issue subpoenas to compel the attendance of witnesses and the production of relevant evidence, including witnesses and documents presented by the parties. The provisions of the county and municipal investigations law, N.J.S. 2A:67A-1 et seq. shall apply. Any person under subpoena who refuses or fails to appear or refuses to be examined or answer any proper questions or to produce any books, papers, documents or tangible things in accordance with the subpoena, shall be subject to the proceedings in the Superior Court for an Order to compel him or her to do so. If a person subject to subpoena shall engage in contemptuous conduct at any hearing, the Board

may apply to the court to compel such person to refrain there from, and may seek costs and fees in connection therewith.

2:4-5. Perjury.

Any person who shall willfully give false testimony under oath in the course of any hearing held before the Board shall, in accordance with the provisions of the County and Municipal Investigations Law (N.J.S. 2A:67A-1 et seq.), be guilty of perjury.

2:4-6. Judicial Notice.

The Board may take judicial notice of such matters as are so notorious as not to be the subject of reasonable dispute, including matters of common knowledge, and provisions of the Municipal Land Use Law and the Hopewell Township Land Use Ordinance.

2:4-7. Dismissal Without Prejudice.

The Board, on its own motion may dismiss any action without prejudice if neither the applicant nor anyone on his or her behalf appears at the time set for the hearing of said application. Further, the Board, on its own motion, may dismiss, without prejudice, any application for failure to comply with these rules. In addition, if the Applicant does not consent to a continuance to allow testimony to be completed, the Board may dismiss the application without prejudice. Any applicant may, at any time before the commencement of the hearing, voluntarily withdraw his or her application, in which case, the application shall be dismissed without prejudice. The Board reserves the powers to impose reasonable terms and conditions on the dismissal of an application.

2:4-8. Amended Applications.

An applicant may, prior to the commencement of a hearing, amend his or her application without leave of the Board and in cases where the amendments are substantial as defined in these rules, new notice shall be given as in the case of the original application. If substantial amendments are submitted, the application shall be considered a new application for purposes of applying the time limitations within which the Board must act. If the amendment after commencement of hearing is for the purpose of reducing the nature or extent of the variance sought, no new notice will be required. Otherwise, new notice shall be given.

2:4-9. Development Regulations that Govern Review of Applications.

Pursuant to N.J.S.A. 40:550-10.5 [P.L. 2010, c.9, 1, effective May 5, 2011], except for ordinances relating to health and public safety, those development regulations which are in effect on the date of submission of an application for development shall govern the review of that application for development and any decision made with regard to that application for development.

2:4-10. Conditions.

The Board shall have plenary power and discretion to impose conditions. The conditions shall be specific to the development and predominantly aimed at mitigating specific concerns arising in connection with the proposed project and assuring compliance with the LUDO. Such conditions shall not be deemed exclusive, and the applicant shall be subject to terms and conditions of approval that are expressed and implied at law, including those imposed pursuant to ordinances applied uniformly to every development. If a term or condition of approval is imposed by ordinance or law and the Planning Board is not expressly granted the power to

waive, enlarge or relax such term or condition, the Board shall not have such discretion or power. The right to impose conditions is an inherent power of the Board that exists regardless of whether the ordinance grants such a right to the Board. To be enforceable, a condition must be part of the record. Conditions must not offend against any provisions of the Land Use Ordinance, must be in the public interest, must be reasonably calculated to achieve a legitimate objective of the ordinance and shall not be unnecessarily burdensome to the applicant and/or owner. The Board shall have the power to require that conditions be fulfilled within a stated period of time. The Board may require that some or all conditions of approval, or the resolution itself, be recorded with the County Clerk along with any maps for filing.

2:4-11 Final Approval Requirements.

Applications for final subdivision and final site plan approval shall not be approved until the following conditions have been met:

1. All plan revisions have been reviewed and approved by the Board professional and incorporated in the final plans;
2. All governmental approvals, other than the Mercer County Planning Board, shall be received and the plans revised to incorporate any revisions required by the other governmental agency;
3. All requirements of the LUDO are satisfied, including provisions, now in effect or as hereafter amended.

PART III. TAKING ACTION ON APPLICATIONS.

Rule 3:1. Decisions.

3:1-1. Decision Based on Evidence.

Each case shall be decided strictly on the basis of the facts adduced at the-hearing viewed

in light of the statutory and ordinance requirements. The Board is a quasi-judicial body whose function is to apply the facts adduced at the hearing to the legal requirements of the statute and ordinance and to decide whether the requested relief can be legally granted or not. The number of opponents or objectors present, or even the fact that objections are heard, shall be only of secondary importance unless the Board finds that the absence of objection is evidence that relief can be granted without substantial detriment of the public good. The facts adduced at the hearing, all testimony and all evidence on which the Board makes its decision must be part of the record and the Board's decision must include findings of the facts from the record on which it made its decision and conclusions on the points of law raised. The Board's decision must be made at a public meeting and the Board's vote on the making of the decision and the adoption of its resolution must be taken at a public meeting.

3:1-2. Alternative Relief.

The Board shall have the discretionary power to grant relief other than the precise relief or portion thereof sought by the applicant provided that interested parties shall have received reasonable notice of the fact that such relief might be granted.

3:1-3. Reservation of Decision.

The Board may decide to reserve decision on a matter after the hearing is completed and may make its decision at the next meeting provided that the period within which to decide the application will not expire prior to the next succeeding meeting or that an extension of time is granted by the applicant. The Board may also authorize the Board Attorney to prepare a resolution for consideration at the next meeting. The making of a motion to have a resolution prepared for consideration shall not be construed as the making of a decision, but shall be only

an indication of an intention to act upon an application in a certain manner. The Board shall not be bound by such a measure.

3:1-4. Memorializing Resolution.

(a) After a decision has been reached by the Board as to whether the relief requested by the applicant is to be granted or denied and the conditions have been stated, the Board's findings of fact and conclusions of law must be embodied in the form of a written resolution. When the Board votes to adopt a resolution, the findings and conclusions set forth in the resolution become the findings and conclusions of the Board. It shall be immaterial that at the time of voting certain Board members may have given other reasons or discussed matters not addressed in the resolution; nor shall it be necessary that Board members articulate particular reasons for reaching a decision at all, it being sufficient that the application be either approved or disapproved by a voice vote and that thereafter a memorializing resolution is adopted.

(b) The Board Attorney shall prepare the resolution in such a way as to give the greatest possible support to the decision which has been made by the Board. The resolution will enumerate the conditions of approval applicable to the decision.

(c) The Board Attorney shall distribute the resolution for review by the Board's professionals and the attorney for the applicant. The draft resolution will be distributed to the Planning Board in advance of the meeting at which the resolution is to be adopted. Board members are encouraged to communicate with the Board attorney regarding any revisions, questions or changes to the resolution prior to the meeting.

(d) Once the resolution has been prepared and has been voted on favorably by the members of the Board, it shall become a memorializing resolution of the decision of the Board.

(e) The resolution of the Board shall contain:

(1) a statement of the Board's findings of fact and its conclusions of law, the Board's decision, any conditions imposed upon the relief granted, or other provisions as the Board may deem appropriate and necessary;

(2) where the Board has determined to impose conditions on the relief granted, such conditions shall be clearly set forth in the resolution;

(f) The Board may, when it is deemed necessary to protect the public interest, specifically provide in its resolution for the retention of jurisdiction over the matter before the Board for a reasonable time. Such time may be specifically set forth or may be conditioned on the happening of a certain event. The purpose of such retention of jurisdiction shall be to enable the Board without limitation to vary the terms of any conditions therein imposed to impose additional conditions, in the public interest, in light of the circumstances; or to permit the Board to finalize its action with respect to its other powers, as granted to the Board by statute and/or ordinance. However, nothing herein contained shall be construed to limit the Board's inherent power to modify a decision for good cause shown, irrespective of whether the Board has expressly retained jurisdiction;

(g) The resolution shall set forth, with specificity, the relief granted to the applicant. The Board may grant such relief as it deems appropriate and in keeping with the intent and purpose of the appropriate ordinance, as the case may be, although the relief granted may be different in kind or degree from that requested in the application.

3:1-5. Time.

The resolution of memorialization shall be adopted within forty-five (45) days of the decision. Such resolution of memorialization shall be adopted by a majority vote of the members of the Planning Board who voted in favor of the action previously taken. No other member shall

vote thereon. If the resolution of memorialization is not adopted within forty-five (45) days of the Board's action, any interested party may apply to the Superior Court for an order compelling the Board to reduce its findings and conclusions to writing within a stated time, and the cost of the application, including attorneys fees, shall be assessed against the municipality pursuant to the provisions of N.J.S.A. 40:550-10(g) (2).

Municipal action shall be deemed to have been taken at the original meeting and not the date at which the resolution of memorialization is adopted, except that the date on which the resolution of memorialization is adopted shall constitute that date of decision for the required mailing of a copy of the decision to the applicant and for the publication of the Board's decision in the official newspaper of the municipality as required by subsections (h) and (i) of N.J.S.A. 40:550-10.

3:1-6. Transmittal of Decision and Publication of Notice.

A copy of the decision shall be mailed within ten (10) days of the date of the decision to the applicant or his or her attorney without charge, and to all who request a copy of the decision for a reasonable fee. A copy of the resolution shall be filed in the office of the Secretary and shall be available to the public upon adoption. A brief notice of the decision shall be published in the official newspaper of the municipality, if there be one, or in a newspaper of general circulation in the municipality. Such publication shall be arranged by the Planning Board Secretary or Assistant Secretary and the municipality may make a reasonable charge for its publication.

The period of time in which an appeal of the decision may be made shall run from the date of publication of the decision as effected by the Board Secretary or Assistant Secretary. The date of adoption of the memorializing resolution shall constitute the date of decision for the

purposes of mailings, filings and publications.

Rule 3:2. Rehearing; Modification.

3:2-1. Misrepresentation, Fraud, Mistake.

The Board may presume that all material statements of fact are true. The Board may also presume that all exhibits, maps and other documents submitted are true and accurate representations of all facts which such materials have been introduced to substantiate. In the event that it later appears to the Board on reasonable grounds that an applicant or witness has not been truthful or that a mistake has been made, and such circumstances bear on facts which are essential in the granting of the relief sought by the applicant and were relied upon by the Board in taking such action, then, upon discovery of such misrepresentation, fraud or mistake, the Board may rehear the matter either upon application of an interested party or on its own motion when unusual circumstances so require in the interest of justice. In such event, the Board may, upon notice directed to the applicant and all other interested parties, require the applicant to appear before it for the purpose of explaining the testimony previously given at the hearing. At such subsequent hearing it may be determined whether or not the testimony as given at the original hearing was in fact false. Mistake or fraud in proceedings, left uncured, shall constitute grounds for rescission.

3:2-2. Rehearing.

An applicant or other interested party may, by right, within forty-five (45) days after the publication of notice of the decision, move the Board for a rehearing of the matter or a portion thereof for the reasons provided in Rule 3:2-1 by filing an application in the form of a letter addressed to the Board containing a brief statement of the grounds relied upon. If the motion is

granted by the Board, it shall fix a date for rehearing and shall require the moving party to give notice to all persons who participated in the original hearing or hearings, upon such terms as the Board may deem adequate. The Board may order a rehearing on its own motion when unusual circumstances so require in the interest of justice. Any motions to rehear an application or portion thereof made after forty-five (45) days following the publication of decision shall be considered strictly by leave and discretion of the Board in consideration of the protected interests of the applicant as balanced against the public interest.

3:2-3. Vacation or Modification.

At any time after the adoption of a resolution of memorization, any person having an interest in such decision may move the Board for an order vacating or modifying any term or condition of said decision by filing with the Board a petition in the form of a letter setting forth the reasons therefor and the grounds relied upon. If the petition is granted, the Board shall fix a date for hearing and the movant shall give notice of such hearing in the same form and manner as otherwise required in the case of original applications. The Board, on its own motion, may, in a proper case, similarly order all parties in interest to show cause at a time and place fixed in the notice why the terms or provisions of any variance ought not to be vacated or modified.

3:2-4. Res Judicata.

If the same parties or their privies seek the same relief in the same factual setting, the case may be dismissed on the grounds that it has already been decided. However, if the first case was not a decision on the merits, there shall be no bar to the second application. If a second application seeks relief which is entirely different or is of lesser proportions than in the first application, the second application shall **not** be barred. An applicant shall also be given a fair

opportunity to show that circumstances have changed significantly or that other good cause exists for reconsideration. This rule shall not be construed to disallow an application for modification or enlargement of an approval or for the lifting or relaxation of conditions previously imposed in connection with an approval upon a proper showing of changed circumstances or other good cause warranting a reconsideration.

PART IV. AVAILABLE AND ELIGIBILITY OF MEMBERS.

Rule 4:1. Alternate Members.

4:1-1. Designation.

There shall be two alternate members of the Board who shall be designated by the approving authority as "Alternate No. 1" and "Alternate No. 2," respectively, and each alternate shall retain said designation during the term for which he or she was appointed.

4:1-2. Appointment of Alternate to Serve on Case.

During the absence or disqualification of any regular member, the Chair shall recognize one of the alternate members to serve in the place of said regular member; provided, however, that where the alternate member is designated to serve in place of a regular member who is disqualified from participating in the hearing of a particular case, the alternate member shall be designated to serve only with respect to such case unless otherwise needed to fill an absence of a member.

4:1-3. Alternate to Serve Until Final Disposition.

In the event of disqualification of a regular member for any hearing or matter, an alternate member who has been designated to sit in place of a regular member and who has

participated in such hearing or matter coming before the Board shall continue to act in the place of such regular member until final disposition of said matter by the Board.

4:1-4. Alternate No. 1 to Vote.

In the event that a choice must be made as to which alternate member is to vote, Alternate No. 1 shall vote.

4:1-5. Rights and Privileges.

An alternate member who has been designated to serve in the place of an absent or disqualified member shall, during the period of service, enjoy all of the rights and privileges and shall be subject to all of the duties and disabilities pertaining to members if the alternate member is eligible in all pertinent respects, provided, however, that no alternate member shall be eligible to serve as Chair or Vice-Chair of the Board.

4:1-6. Participation in Discussions; Voting.

Alternate members may participate in all matters and may make motions and second motions, but may not vote except in the absence or disqualification of a regular member. Participation by alternate members shall not be deemed to increase the size of the Planning Board beyond nine qualified members. A vote shall not be delayed in order that a regular member may vote instead of an alternate member.

4:1-7. Training Requirements.

Unless exempted pursuant to N.J.S.A. 40:55D-23.4, all Board members and alternates shall participate in an educational program covering land use issues and/or the operation of land

use boards. The course must be successfully completed within the time-frames specified in N.J.S.A. 40:55D-23.3.

Except for good cause shown, failure to attend such a training course shall result in the disqualification of said member or alternate.

Rule 4:2. Rule of Necessity.

4:2-1. Appointment of Additional Members.

If the Board lacks a quorum because any of its regular or alternate members is prohibited from acting on a matter due to the member's personal or financial interests therein as regulated under Rule 4:3 or prevailing law, regular members of the Board of Adjustment shall be called upon to serve, for that matter only, as temporary members of the Planning Board in order of seniority of continuous service to the Board of Adjustment until there are the minimum number of members necessary to constitute a quorum to act upon the matter without any personal or financial interest therein, whether direct or indirect. If a choice has to be made between regular members of equal seniority, the Chair of the Board of Adjustment shall make the choice. This procedure shall be invoked only when the direct and proximate cause of a lack of quorum is the disqualification and not the mere absence of one or more members of the Board.

Rule 4:3. Disqualification for Interest.

4:3-1. Disqualification Generally.

No member of the Board shall be permitted to act on any matter in which he or she has, either directly or indirectly, any personal or financial interest. No member of the Board shall participate in proceedings in which such member has a conflicting interest that may interfere with the impartial performance of his or her duties as a member of the Board. The decision as to

whether a particular interest is sufficient to disqualify shall depend on the facts and circumstances of the particular case. The test shall be whether the circumstances could reasonably be interpreted to show that they had the likely capacity to tempt the Board member to depart from his or her own sworn public duty.

4:3-2. Local Government Ethics Law.

The members of the Board shall comply with and be bound by the provisions of the Local Government Ethics Law, N.J.S. 40A:9-22.1, et seq. and shall annually file a statement as prepared by the local Finance Board and the Division of Local Government Services, Department of Community Affairs. Pursuant to such law, no Board member shall act in his or her official capacity in any matter where he or she, a member of his or her immediate family or a business organization in which he or she has an interest, has a direct or indirect financial or personal involvement that might reasonably be expected to impair his or her objectivity or independence of judgment. To the extent that the word "involvement" as cited hereinabove extends the reach of the law beyond "interest" the same may be considered a source of disqualification and shall be closely examined by the Board. Any interest or involvement of the Board member that is not shared in common with other members of the public shall be examined to determine eligibility.

4:3-3. Examples of Disqualification for Interest.

Any member of the Board shall disqualify himself or herself from sitting on the hearing of any matter in which he or she has a disqualifying interest, such as, but not limited to, the following situations:

- (a) where the member owns property located within two hundred (200) feet of the property affected by the action;
- (b) where the applicant is related within the third degree of consanguinity to the member by blood or is the husband or wife of any person so related;
- (c) where the applicant or his or her attorney is the employer, employee, or partner of the member, or is a corporation in which the member is a shareholder or has other financial interest;
- (d) where the member has any other personal or pecuniary interest in the proceeding.

4:3-4. Removal from the Panel.

Any member having been deemed or having deemed himself or herself disqualified in any matter shall not sit with the Board to participate in the consideration of such matter. The nature of any disqualification shall be disclosed at the time of recusal unless doing so would constitute an unwarranted invasion of individual privacy or could adversely affect the public interest. Such member may be heard at the appropriate time as an interested party or applicant, but whenever such member appears before the Board on his or her own behalf or by legal representative, it shall be disclosed that the member's comments are made solely to exercise or protect private rights and are not expressed as a member of the Board. Every effort shall be made by such member to avoid the possible influence of fellow Board members and the appearance of impropriety from the point of view of the general public.

4:3-5. Disclosure of Possible Conflicts; Waiver by Parties.

Where the conflict is only possible and not actual by virtue of involving, either directly or indirectly, any personal or financial interest, such conflict need not necessarily result in a

disqualification but should be disclosed. For purposes of illustration, prior dealings and friendships should be disclosed so that disqualification can be considered on an informed basis. Disclosure of interest is necessary in order to judge whether a particular interest is sufficient to disqualify or is remote and speculative. Concern for the impartial exercise of authority, in appearance as well as in fact, requires that where a member of the Board must disqualify himself or herself in a matter because of a conflict of interest, the disqualification is absolute and cannot be waived. However, if a conflict is only potential and is disclosed, the Board may reasonably find that a particular interest is too remote or speculative to cause a disqualification. The Board Attorney shall be consulted in each case. Whenever the Board is called upon to waive a potential conflict, the affected Board member shall disclose the nature of the relationship and shall satisfy the Board that the relationship would not in any way influence his or her decision.

4:3-6. Remedy.

When a member fails to disqualify himself or herself where the circumstances require disqualification, any interested party may move the Board for an order or determination that such member is or was disqualified to act and may, even after decision, seek the vacation of the decision and a rehearing or other appropriate relief. The motion shall contain a statement of the facts upon which it is based, and the Board may thereupon hold a hearing on the matter or take whatever action it may deem appropriate.

4:3-7. Disclosure of Reason for Disqualification.

Wherever possible, the reason for disqualification shall be stated unless legitimate private rights would be compromised without justification in respect of the public interest.

Rule 4:4. Attendance.

4:4-1. Determination of Vacancy for Excessive Absences.

The position of any member or alternate member shall be deemed vacant whenever the member, without being excused by a majority of the authorized members of the Board, fails to attend and participate at meetings of the Board for a period of eight(8)consecutive weeks or for four (4) consecutive meetings(both regular and work sessions) whichever shall be of longer duration, if, at the conclusion of such period, the Board notifies the appointing authority in writing of such determination, and provide further that the Board may refuse to excuse only those absences which are not due to legitimate illness. In the event of such notice, the approving authority shall forthwith fill the vacancy of the unexpired term in a manner prescribed by law. This rule shall be automatically amended by operation of law in the event that the above standards are made more strict pursuant to amendment henceforth of N.J.S.A. 40A:9-12.1 or other relevant prevailing enactment, in which the event the language of this rule shall be deemed substituted by the language of such enactment.

PART V. MISCELLANEOUS MATTERS.

Rule 5:1. Fees.

5:1-1. Application Fees.

No application shall be considered which is not accompanied by an application fee in accordance with the schedule of administrative fees for development applications, as amended and in effect at the time application is made.

5:1-2. Escrow Deposits for Professional Services.

No application shall be considered with respect to which an applicant has failed to

comply with the LUDO or statutory requirements for the payment of escrow deposits toward anticipated municipal expenses for professional services, to be based upon a schedule established by resolution. The amount of the initial deposit shall be established by ordinance. The applicant and the Board shall be bound by the provisions of N.J.S.A. 40:550-53.2 and/or prevailing ordinance requirements as to their respective interests and duties.

5:1-3. Special Meeting Costs.
